If you are interested in producing your own pack, as shown at the top of this form, we would need to quote that for you. Please note that we do not charge for artwork set up fees for printing, as long as your artwork is ready to go, within the guidelines necessary for us to print. That will all be provided in the next steps if you choose to make custom straplocks with us.

*Mold set up cost varies depending on logo or lettering style, we would need to see what you have before quoting. The average mold cost is \$450.00 and it's a onetime set up charge. If you purchase 5,000 or more, we will include the mold at no cost to you.
